

	CSP Pollinator Habitats								
<p>We have 844 acres of Pasture Land eligible for the Conservation Stewardship program. With in this program we are required to plant and fence a 0.5 acre to every 40 acres to a Pollinator seed mix in efforts to establish Pollinator Habitats to increase the population of the Monarch Butterfly and many other beneficial pollinator insects. The 15.5 acres of pasture land will be planted at a rate of 10# per acre.  15.5 x 10# = 155# of seed, 155# x \$28.30 per pound seed = \$4,386.5.  NRCS pays \$59.09 per acre for this practice.</p>									
	Sites	Location		Acres		Acres to Plant/Fence	Pounds of		Cost
Not Lease	Field 1	Pittsburg	Fence	7		Watershed-Rock House 0.5	5		\$141.50
Lease	Field 2	Pittsburg	Fence	270		Watershed- Chip Lott 5.5	55		\$1,556.50
Not Lease	Field 3	Pittsburg		222		Watershed- Youth lake 4	40		\$1,132.00
Lease	Field 5	Latimer	Fence	86		Gains Creek (1) 90 acres 1.5	15		\$424.50
Lease	Field 6	Latimer	Fence	166		Gains Creek (2) 160 acres 2.5	25		\$707.50
Lease	Field 9	Bryan		30		Hendrix 0.5	5		\$141.50
TCD	Field 11	Choctaw		23		Hugo Demo Shop 0.5	5		\$141.50
Not Lease	Field 12	Pushmataha	Fence	40		Arabian 0.5	5		\$141.50
			Totals:	844		15.5	155		\$4,386.50
<b>*Was planted in Mid April to Late May of 2018.</b>									
<p>We had 640 acres of Range land eligible for the Conservation Stewardship program. Within this program we are required to burn 63 acres twice at different locations. The second burn will come the following year of the first burn.  NRCS will pay \$6.62 per acre for this practice.</p>									
						Acres to Burn			
Lease	Field 8	Atoka		640		63			\$417.06
					Totals:	126			\$834.12
<b>*March 22, 2019 Friday this was burned by the Choctaw Nation Forestry Department.</b>
